Shoe Coupon

High Quality shoes help prevent injuries, provide support and cushioning and make working out a more enjoyable experience. These shoes are found in specialty running stores like ours and are broken down into three major categories all based on an individual's foot strike. At Big River Running Company we do a free gait analysis on each of our customers to ensure they walk out in a pair of shoes that is right for their particular foot strike.

Please bring this coupon into our store for 15% off your next shoe purchase.

In addition we offer a military discount of 10% off of anything in the store; apparel, socks, accessories and more.
